

Robotic Education Products (Aust.) Pty. Ltd.
<http://www.robotics.com.au>

Workshop Topics

Simple Machines
Simple Powered Mechanisms
Circuits and Current Flow
Wheels and Gears
Gears and Gadgets
Machines of Tomorrow
Forces and Effect
Renewable Energy
Physics and Motion
Mechanical Engineering
Energy
Control Circuitry
Levering and Pulleys
Materials and Structures in Robotics
Maths in Robotics
English in Robotics

Industrial Robotics
Home Robotics
Robotics Prosthesis
Space Robotics
Space Shuttle Robotics
Mars Robotics
Rescue Robotics
Sport in Robotics
Design in Robotics
Military Robotics
Programming a Bug
Binary Concepts
Control a Robot
Manipulative Robots
Environmental control
External Control

Robo Mouse Maze
Robot Menagerie
Nuclear Emergency
Space Station Robot
Olympics
Robot Bowling
Robot Grand Prix
Sumobot
Robot Relay

Steps to Making Science Sense
The Nuts and Bolts of Robotic Arms
It's all in the wrist
Get a Grip!
Technology Trek
Position Problem Solving
Design Schematics
Plotting and Planning
